\*\* Please have students meet you in the computer labs not your classroom.

\*\* If students do not complete testing during their assigned class periods, please have them stay with you until they finish, send students to next class with green pass. If you know students in 6<sup>th</sup> period that need additional time, please give them a pass the day prior to testing, excusing them to your assigned testing room.

\*\*Students who need to make-up tests, will test starting on September 6<sup>th</sup> or 11<sup>th</sup>. Please send them to lab 3 or library during their class period with you.
